Brand Messaging Matrix

BRAND FOUNDATION

POSITIONING STATEMENT

For mindful urban professionals who believe their daily coffee ritual should reflect their values, NovaBrew is the specialty coffee brand that delivers transparently sourced, sustainability-first coffee with a community-driven experience because great coffee should taste good AND do good.

CATEGORY MARKET

Premium direct-to-consumer specialty coffee in Central and Eastern Europe

TARGET AUDIENCE PRIMARY

Urban professionals aged 28-45 who care about sustainability, quality, and the story behind their purchases

KEY DIFFERENTIATOR

Full supply chain transparency with farm-to-cup traceability, carbon-neutral operations with published metrics, and an active community of coffee explorers

COMPETITIVE ALTERNATIVE

Generic specialty coffee subscriptions (Trade Coffee, Atlas Coffee) or local roasters without digital presence

MISSION STATEMENT

To make transparently sourced, sustainability-first coffee accessible to mindful consumers who believe daily rituals should reflect their values

VISION STATEMENT

By 2030, NovaBrew will be the most trusted specialty coffee brand in Central and Eastern Europe — measured by community impact, supply chain transparency, and customer advocacy

BRAND PROMISE

Every cup traceable, every impact measurable, every community member valued

CORE VALUES 3 5

1. Transparency — Every bean traceable, every impact measurable
2. Community — Growth through shared experiences, not transactions
3. Sustainability — Environmental responsibility as a business model
4. Curiosity — Always learning, always improving
5. Integrity — Do what we say, measure what we claim

BRAND PERSONALITY

A well-traveled 32-year-old who runs a popular food blog, hosts intimate dinner parties, and knows the best local coffee spots but never makes you feel uncultured for not knowing them. Warm, knowledgeable, unpretentious.

BRAND VOICE 3 ADJECTIVES

Warm, Knowledgeable, Proof-driven

TONE RANGE

Casual-professional spectrum: LinkedIn posts at 6/10 formal, Instagram captions at 3/10, website copy at 5/10, investor materials at 8/10

WE SAY WE NEVER SAY

WE SAY: 'Sourced from Maria's farm in Huila, Colombia' / 'Carbon-neutral since 2024 (here's the data)' / 'Join 2,400 coffee explorers'

WE NEVER SAY: 'Premium artisanal beans' / 'The best coffee experience' / 'Buy now, limited time!' / 'We care about the planet'

WRITING STYLE

Short paragraphs, specific data points, named sources, proof before claims. Story-led for social, data-led for website.

ELEVATOR PITCHES

10 SECOND PITCH

NovaBrew delivers transparently sourced specialty coffee to mindful consumers who want their daily ritual to reflect their values.

30 SECOND PITCH

NovaBrew is a direct-to-consumer specialty coffee brand built on radical transparency. Every bag comes with full farm-to-cup traceability, our operations are carbon-neutral, and we share 15% of profits with farming communities. We've built a community of 2,400 coffee explorers across Central and Eastern Europe.

60 SECOND PITCH

The specialty coffee market is worth €12.3 billion in Europe, but most brands compete on the same generic 'premium' and 'artisanal' claims. NovaBrew is different. We built the first fully transparent specialty coffee brand in Central and Eastern Europe — every bag has QR-coded farm traceability, our carbon footprint is published quarterly, and we share 15% of profits directly with farming communities. In 18 months, we've grown to 2,400 subscribers with 35% retention and a 72 NPS score. We're now expanding into Poland, Czech Republic, and Hungary.
